DETAILED ACTION

Claim Rejections - 35 USC § 102

1. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

2. Claim 21 is rejected under 35 U.S.C. 102(b) as being clearly anticipated by McLaughlin. Note, the “adapted to” clauses are language that suggests or makes optional; and therefore, does not serve as a patentable limitation. [Examiner's Note:

Column 6, lines 14-16:

Power 414, which may be any available commercial voltage including 120 V, is connected to the air compressor motor.

Column 4, lines 54-57:

Equivalent to a coin mechanism is a credit card device, card reader, currency mechanism or any other vend type money receiver system or money transfer system.]

3. Claims 21 and 31 are rejected under 35 U.S.C. 102(b) as being clearly anticipated by Nikolic.

Response to Arguments

4. Applicant's arguments filed October 20, 2005 have been fully considered but they are not persuasive. Applicant arguments are considered to be fully responded to in the above rejection of the claims.

Conclusion

5. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

Art Unit: 3749

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
